

INVOICES EXPLAINED

Doing the work is only part of the job. Now comes the best part--**getting paid**.

To get paid, you have to send me a bill--called an invoice--so I know when you worked, what you did, and how much I owe you. If you don't bill me, I can't pay you and you may starve to death. Please submit invoices to Turnitin.com before Tuesday morning at 8:00AM. TURNITIN WILL NOT ACCEPT LATE WORK AFTER THE DEADLINE. If there is no school on Monday, invoice information will be given out Tuesday, and invoices will be due on Wednesday morning by 8:00AM.

ALL LATE WORK WILL RECEIVE 50% OR LOWER
